## Mike Creed joins Plant Products' team

Mike Creed is a graduate from the turf diploma program at the University of Guelph. Mike has 33 years experience in golf course management and brings a wealth of knowledge to the Plant Products team.

His experience includes 3 years as assistant superintendent at Cutten Fields and Oshawa Golf Club and the last 30 years at Wyldewood Golf Club, as director of golf operations.

Mike comes from a family with a long history in the golf industry, as he is a 4<sup>th</sup> generation golf superintendent. Mike is looking forward to starting his new position as technical sales representative for Plant Products and helping turf managers achieve and reach their goals.

Welcome Mike!
